

Dear Friends,

As supporters of our mission for advancing education, sustainability, and leadership development in The Bahamas, you stand with us at a monumental moment in our journey. Thanks to your generosity and shared vision, The Island School celebrated 25 years serving as a beacon for environmental stewardship and youth empowerment across the region. As we look to the horizon, we are embarking on a vital initiative to ensure our mission continues to serve future generations.

This year, we launched our **Rising TIDE Campaign**, a \$25 million comprehensive capital campaign, to strengthen the core pillars of our impact and sustain and grow our work. Your ongoing support of our **Annual Fund** ensures that our day-to-day programs remain robust and accessible to all.

We seek to:

- **Build Dedicated Faculty Housing:** Our educators and program leaders are the heart of our mission. Providing stable, eco-conscious housing will enable us to attract and retain top talent from The Bahamas and beyond.
- **Expand Our Endowment:** A stronger endowment means enduring impact. It allows us to weather uncertainty and plan boldly.
- **Renew Aging Campus Buildings:** Our facilities have served us faithfully for 25 years of operation. By modernizing these spaces, we will enhance safety, sustainability, and learning opportunities across our campus.

This campaign is not just about buildings or budgets; it's about people. Those who create change and those who foster the development of changemakers. Those who are about preserving the pristine ecosystems of The Bahamas while preparing its young leaders to care for them. It's about creating a future where sustainability and leadership go hand in hand.

I invite you to join us in this transformative effort. Your investment today helps secure the legacy of tomorrow. Together, we can build a foundation that will stand strong environmentally, educationally, and institutionally for decades to come.

With deep gratitude,

Taylor Hoffman  
Executive Director  
Cape Eleuthera Foundation
